Session 2: Personality Development

- **Speaker:** Mr. Chirag Gandhi, Dy General Manager Corporate Human Resource Medley Company Mumbai
- The second segment focused on the importance of soft skills and personality traits in professional growth.
- Topics discussed:
 - Building self-confidence and professional etiquette.
 - Communication skills: How to communicate effectively in the workplace.
 - Time management and goal-setting strategies.
 - Developing leadership qualities and team-building skills.
- Several engaging activities, such as self-assessment exercises and role-plays, were incorporated for practical learning.

Feedback from delegate and its analysis:

- **Positive Responses:**
 - Participants appreciated the practical nature of the seminar and how the tools provided were easy to implement in their daily lives.
 - The session on emotional intelligence received high praise for making participants aware of the importance of empathy and emotional awareness in both personal and professional relationships.
- **Outcomes of Activity:**
 - Some participants suggested including more case studies or real-life examples to make the sessions more relatable.
 - A few requested additional time for interactive activities to help reinforce the concepts better.
- **Summary & Conclusion:**

The online webinar was successful in providing valuable career insights and personality development strategies to participants. It achieved its goals of enhancing participants' career awareness and equipping them with practical tools for professional growth. Future webinars on more specific topics like interview preparation or resume building have been suggested by participants for further personal and professional development.
